SHOW THIS TO YOUR HUSBAND!

Tell him it's you without an electric clothes dryer—tenderly protecting your clothes clean (and still wet) wash because you got no cooperation from the weatherman.

Tell him the cure: a shiny new electric dryer. It saves you the lifting and bending and dependence on the weather. It saves clothes—they dry fluffier, cleaner and fresher smelling. They last longer, too.

Tell him it has to be an electric dryer, of course. Because it's so safe. Because you simply plug it in. And because it costs less to buy! (Electricity is your biggest bargain in modern living.)
